Minneapolis Nov 17 1872

Dear sir I have got about $25 worth of duplicates that I would like to exchange for stamps that I have not got in my collection. If you will send me an assortment to select from I will send you the stamps that I have got to exchange and you can name the price that you are willing to give in exchange. For a guarantee of honesty you can write to my employer Mr. Benjamin Billington.

Yours Resp'y
